EXPERIENCE

Rakta Kalika Child Club/ Child Club president

2010-11, Chautara Sangachokgadi-1, Bhedabari

Leading a child club is very difficult work though I have learned various things about activities related to children's, leading a team and speaking too.

International Youth Society, Nepal (IYS)/ Member

July 2019 - June 2020, Baneshwor, Kathmandu

Being a member of IYS Nepal helped me a lot to uplift my professional development, management and other skills, and was a new experience to join a youth organization.

Rotaract Club of Kathmandu

Member, 15 March 2020 – Present

Community Service Director, 1 July 2021 -30 June 2022

Treasurer, 1 July 2022 – 30 June 2024

Secretary, 1 July 2024 – 30 June 2025

Vice-President, 1 July 2025 – Present

President -Elect, 1 January 2026 – Present

Rotaract Club of Kathmandu has been a major platform which helped me to grow personally and professionally. Throughout the journey it has been a great opportunity for me to learn so much about social and service activities. I have gained an experience in different portfolios as a Board Member in the club that had helped me to develop my leadership and communication capabilities. I also got to connect with the people throughout the country as well as globally through different projects.

Rotary Club of Kathmandu / Secretarial Assistant

1 June 2022 - Present, Thapathali, Kathmandu

As a Secretarial Intern, I am learning office management, communication skills, time management, documentation and record-keeping, event planning and coordination, customer service, and technical skills such as proficiency in Microsoft Office. This experience will aid in my professional growth and development.

Rotary District 3292 / Assistant District Secretary

1 June 2023 - 30 June 2024, Thapathali, Kathmandu

Worked closely with the District Governor, assisting in coordinating district-level operations and communications. This role significantly expanded my professional network and deepened my understanding of Rotary's structure, leadership, and service initiatives.

Tribhuvan University Society of Exploration Geophysicists Student Chapter/ Member

1 January 2024 - Present, Ghantaghar, Kathmandu

Being an active member of the Tribhuvan University SEG Student Chapter helped me in gaining hands-on experience in geophysical methods, networking with industry professionals, and enhancing technical and leadership skills through workshops, fieldwork, and collaborative projects.

Tribhuvan University Society of Exploration Geophysicists Student Chapter/ Vice President

8 May 2025 - Present, Ghantaghar, Kathmandu

Serving as Vice President, I am actively involved in promoting leadership and collaboration within the geoscience community. I contribute to organizing academic and field-based activities, while gaining hands-on experience in scientific leadership and exploration geophysics.

Youth Red Cross Circle, Tri-Chandra Campus/ Member

1 January 2024 - Present, Ghantaghar, Kathmandu

As an active member of the Red Cross Circle, contributing to humanitarian initiatives, enhancing teamwork and leadership skills through volunteer activities.

EDUCATION

Rakta Kalika Basic School /Basic level

14 April 2005 – 13 April 2014, Chautara Sangachokgadi-1, Bhedabari

Completed Basic level of education from Shree Rakta Kalika Basic School

Krishna Ratna Ganga Secondary School /Secondary Level

14 April 2014 -12 April 2017, Chautara Sangachokgadi-5, Chautara

Completed Secondary level education i.e. District Level Examination and Secondary Education Examination from the school with GPA 3.15

NASA National College/ Intermediate

July 2017 – July 2019, Tinkune, Kathmandu

Completed intermediate education with a focus on science, building a strong foundation in analytical reasoning, scientific principles, and problem-solving skills.

Koteshwor Multiple Campus / Bachelor's in Arts

December 2019- December 2024, Jadibuti Kathmandu

Graduated with First Division

Completed my undergraduate studies with majors in Sociology and Economics, which strengthened my analytical thinking and deepened my understanding of social structures, economic systems, and their interrelations within society.

Tri-Chandra Multiple Campus, T.U./ Bachelor's in Science

March 2022- Present, Ghantaghar Kathmandu

I am currently pursuing my second undergraduate degree specializing in Geology. This program has strengthened my understanding of earth sciences through both theoretical study and practical field experience. As part of my coursework, I completed a 15-day geological field study in Malekhu, where I gained hands-on experience in rock identification, geological mapping, and field data collection. I also completed a 28-day geological field study along the Siddhartha Highway section covering Butwal, Palpa, and Syangja, which further developed my field observation skills and practical understanding of geological structures and landscapes. These experiences have deepened my interest in geology and enhanced my ability to connect classroom learning with real field conditions.

WORKSHOPS, TRAININGS, AND CONFERENCES

23 January 2020 | **Up-cycling Entrepreneurial Workshop** – *National College*

Participant

Learned innovative ways to up-cycle non-biodegradable and discarded materials such as juice cans, bottles, and pens into usable products, promoting sustainability and creative entrepreneurship.

25–27 December 2020 | **E-RYLA "SWARAJYA"**

Participant

Engaged in a virtual leadership development experience during the pandemic. The program fostered global networking, leadership learning, and fellowship among participants.

18–19 June 2021 | **Virtual Rotaract South Asia Summit 2020–21** – *Organized by Rotaract District 3292*

Participant

Explored leadership concepts and the Rotary–Rotaract framework. Enhanced global connections and gained insights on service during the pandemic through interactive sessions.

12–13 August 2021 | **National Youth Conference** – *Organized by National Youth Council, Nepal*

Participant

Learned about youth engagement in sustainable development and explored the current status and contributions of young people in Nepal's development landscape.

13 November – 13 December 2021 | **Content Writing Workshop** – *Organized by Knowledge Magazine*

Participant

Enhanced creative and professional writing abilities while strengthening written communication and interpersonal skills through regular writing exercises and feedback.

16–20 November 2024 | **International Training Course on Field Geophysical Methods** - *Organized by Department of Geology, Tri-Chandra Multiple Campus & University of Southern California (supported by US National Science Foundation FRES)*

Participant

Gained in-depth theoretical and practical knowledge in geophysical methods including Electrical Resistivity Tomography (ERT), Seismic Refraction Tomography (SRT), Multichannel Analysis of Surface Waves (MASW), and GPS applications.

7–18 March 2025 | **Thirteenth Student Himalayan Exercise Tour (SHET-13)** – *Organized by Gondwana Institute of Environment & Geology, Japan and Tri-Chandra Campus, TU*

Participant

Participated in a 12-day Student Himalayan Exercise Tour focused on Himalayan tectonics, stratigraphy, and rock formations. The tour encouraged cross-cultural learning and strengthened practical geological field skills.

13–14 May 2025 | **SEG's Field Safety Leadership Course** – *Society of Exploration Geophysicists*

Participant

Built competency in field safety protocols, leadership roles in remote environments, and risk management essential for geoscience fieldwork.

ROTARY-ROTARACT EVENTS

- Rotaract District Conference x 5
- Rotaract District leadership Training Seminar (DLTS) x3
- I have also coordinated and participated in various projects organized by Rotaract Club of Kathmandu, Rotary Club of Kathmandu since I joined Rotaract.

- Attended various Rotary District events and meetings organized by Rotary International District 3292 since 2023.

PUBLICATIONS

A Report on SHET-13, PG. 61-67, Traversing the Himalayan Orogen 2025 by Miscellaneous Publication No. 44, Gondwana Institute for Geology and Environment, Japan.

AWARDS

2021 September 12 | **Recognition of works for environmental conservation (2021-22 Rotary Global Photo contest)** | Photographer | To always capture a photo of what you want to protect always and to describe how it is being protected or what can be done to protect it.

2025 June 14 | **Outstanding Club Secretary by Rotaract District 3292** | In recognition of outstanding work as a Secretary of Rotaract Club of Kathmandu.
